Don't miss this charming two bedroom one bath home built in 2002 and nestled among the towering redwoods located on approximately 1/3 acre. Enjoy filtered views from many windows. Open concept floor plan features spacious kitchen with peninsula and cozy living area. Downstairs you'll find an ample size basement with finished walls and a separate laundry area. Many beaches are within a mile and easy access to 101, the coast and nearby towns. This property also includes plenty of parking. Enjoy the tranquil privacy this property offers.
